Minister of Health

Minister for Communications and Information Technology

14 JUL 2008

09 JUL 2008

Ms Debbie Monahan
Domain Name Commissioner
Domain Name Commission
PO Box 11-881
WELLINGTON 6142

Dear Debbie

Thank you for your letter of 29 May 2008 advising me of the application for a new second level domain name (.health.nz).

I appreciate being kept informed of developments in this application. A second level domain name could potentially improve confidence in online activities and has my support.

Again, thank you for writing.

Yours sincerely

Hon David Cunliffe
Minister of Health
