Dear Ms. Monahan

Internationalised Domain Names (IDNs) — Second Consultation

Thank you for the opportunity to comment on your Internationalised Domain Names (IDNs) — Second Consultation.

The State Services Commission supports the proposed course of action. We are satisfied that the potential issues this proposal introduces, as covered by previous submissions, are manageable for the govt.nz 2LD.

For those Government agencies that operate outside the govt.nz 2LD we think it is important that the DNC implement a comprehensive communications plan to make sure they are aware of the implications and any additional risk as a consequence of this change.

If you have any queries or require more detail, we are happy to further discuss our response.

Yours sincerely

p.p. Matthew Ross
