

2LD Policy Review - Process Section Submission

From: Krassie Petrova

Received: 29 May 2004

Dear Sir/madam, a submission is enclosed.

Rationale:

1) Community members need enough time to be able to process information coming to them though the increased number of communication channels and to selectively respond.

2) The short notice periods disadvantage interested parties who might have not been involved in the preliminary considerations regarding a proposal but are nevertheless affected and need

Point B2.4: in my opinion 15 working days is a very short period for submissions, suggested to increase to 25 working days.

Point B3.2: suggested to increase the minimum of 5 working days to 10 working days.

Regards Krassie Petrova
