We refer to the fifth request for submissions in relation to the review of the WHOIS policy and how it operates.

Baldwins Intellectual Property has had the opportunity to read the submissions of the New Zealand Institute of Patent Attorneys. Baldwins supports those submissions and urges the Domain Name Commissioner to seriously consider the content of the same; especially in relation to the proposed clause 8.

Thank you for considering our submissions. If you would like further information or wish to discuss the content of our submissions in any way, please contact the author directly.

Yours sincerely
